Minority and Women Business Certification Program

This certificate acknowledges OVEN ART LLC DBA:Oven Arts as a Certified Minority Business Enterprise (MBE) that has met the criteria established by N.J.A.C. 17:46.

This certification will remain in effect for five years.

In order for this certification to remain in effect throughout the 5 year certification period, the business must submit annual verification statements attesting that there has been no change in ownership, control, or any other factor of the business affecting eligibility for certification as a minority or women-owned business. The verification statements must be submitted not more than 60 days prior to the anniversary of the certification approval.

If the business fails to submit the annual verification statement by the anniversary date, or a renewal by its expiration date, the certification will lapse and the business will be removed from the system (SAVI) that lists certified minority and women-owned businesses. If the business seeks to be certified again, it will have to reapply by submitting a new application.
